

## UNIT 2: CHECKLIST

### VOCAB

Know the vocab in Units 1 and 2.

Listen to the new vocab.

Remember that adjectives have 4 forms, nouns have 2–4 forms, and verbs have 5 (4 in the present tense + infinitive).

Know the difference between *יש* and *נמצא* (Lessons 25), between *פה*, *הנה*, and *זה* (Lesson 17), and between *יש ל...* and *צריך* (Lesson 27).

### VERBS

Know all the verbs in Units 1 and 2:

- their meaning,
- the 4 forms of present tense as well as the infinitive, and when to use which,
- prepositions that typically are associated with each verb (Lesson 22).

Pay careful attention to the pronunciation of the verbs; always vocalize the verbs (with nikkud).

### GRAMMAR

- *זה* vs. *הזה*. Remember that when the word *זה* begins a sentence, it means: THIS IS (and not just "this").
- *יש* and *אין*, and *יש ל...* and *אין ל...*
- The *אוגד* (remember that *נמצא* is also an *אוגד*).
- The preposition *את* — when to use it and when not to use it.
- The concepts of *שורש* (root), *בניין* (structure), and *גיזרה* (sub-structure).  
The conjugations of *פעל בניין פעל* and *בניין פיעל*.
- Nouns with plural suffixes that don't agree with their gender, as well as irregular nouns (Lesson 25). How to combine these nouns with adjectives and verbs.

### INTERROGATIVES

Know the meaning of the interrogatives in Lesson 28.

Know how to combine an interrogative with a preposition (e.g. *על מה, של מי*); pay attention to the word order in such questions (Lessons 29–30).

## PREPOSITIONS

Know all of the prepositions in Units 1 and 2.

Know how to combine the prepositions של and ל with pronoun suffixes (e.g. שלי, להם), and when (and when not) to use these forms.

Know when to use ל vs. ב, when to use ל vs. עד.

Remember that ל and ב combine with the definite article that follows them.

## NUMBERS

Know the numbers from 1–10. Know how to ask and answer questions about phone numbers, house numbers, and age.
